## Message from President Jim Andrews

6/7/2020

Thanks to all those members who showed up for our Field Cleanup Day on May 23<sup>rd</sup>. The field looks great. Thanks also to Jeremiah, Jim Z, and Shawn for extending the taxiways. We really have a great membership that pulls together to get things done. Each contributes in their own way to make this club a fun place to be and fly. Thanks to all.

Event dates for our club and other clubs are changing constantly so continue to check our Events Calendar for updates.

We've always stressed safety at our field but we usually meant safe flying practices. Now it includes safe health practices. Please continue social distancing. As Yogi Berra said "It ain't over till it's over".

See you at the field

Jim Andrews

## Message from Newsletter Editor Jim Zomerski

6/4/2020

Keep texting or emailing pictures (*any size or format*) to me and any other RC related events, notices, interesting websites, or RC *stuff you want to sell*.

(Members have been very successful in selling their overstock!)

You can also bring photos to the monthly meeting. I will *either* put them in the Newsletter, on Facebook, in the "Live Calendar", or out in a special email.

thx Jim Z

## Smiling faces on a Sunny Funday Sunday!

# Minutes for the June 2, 2020 Monthly Club Meeting Secretary Jim Zomerski

6/4/2020

Minutes for the June 2, 2020 Meeting

14 Members present with one new member, Kevin Blakley. Kevin was voted in unanimously.

## Officers Report

**Secretary, Jim Z.** Minutes for May meeting as published in the May 2020 newsletter. Motion by Mark Y second by Bob S ...motion carried.

**Treasurer, Rene** reported. Expenses for GoDaddy website fees and AMA charter and insurance. We had income from dues and balances were read. Motion to approve by Dean P and second by Jim A...motion carried. Rene also announced that LHMACH merchandise is on sale, \$15 hats are now \$10, \$10 hats without logo on back are now \$5, LHMACH patches are now \$1. See Rene to purchase.

**Vice President, Jeremiah** Flag poles that were purchased last month, are in, and were used during the last Warbird Races and Streamer Combat. He also acquired a 3'x5' and a 2' x 3' flag. Jeremiah picked up some of the cost. THANK YOU Jeremiah. No Raffle

**Newsletter Editor, Jim Z** Newsletter calendar has been updated and the "Live Calendar of Events" is updated daily as events are canceling due to the Corona Virus Pandemic. Our Facebook page is getting many views and interactions, has the newsletter posted in it, for sale items from the newsletter in it, and also the "Live Calendar of Events". The for sale pages of the NL have been very successful so if you have anything collecting dust RC you would like to sell, send it to Jim Z.

**Field Control Officer, Shawn** absent. Donny Gilbert did stop by the field this month and met with Shawn to assess the field condition and spraying recommendations. Donny recommended applying a spray treatment around the end of June to control crabgrass and broad leaf which should be enough for the entire year. A budget was presented, motion to approve by Dean second by Mark Y.....motion carried.

**Webmaster** Vishal is updating our LHMACH.ORG website as he is able. New for sale items were sent to him and should be up soon.

## Presidents Remarks

**John Marshall** will be donating two electric airplanes to the club which will be posted in the "for sale" section of the newsletter as soon as they are received. THANK YOU John!

**Model Aviation magazine** has a nice article by AMA's DIII VP Mark Radcliff on the fall fly at Donny's golf course. Due to the popularity, Donny will try and have another this year.

**Summer Solstice** will be held this month at the Indiana Flyers Club on the 20<sup>th</sup> with a rain date of the 27<sup>th</sup>. There will be no refreshments so don't forget to pack a lunch. Click HERE for details and directions.

**Streamer Combat** has been very exiting, successful, and evolving into a nice event. Last combat was a timed combat with everyone trying to fly between the poles. There were many streamer cuts and only one crash.

**Field Cleanup** was a success. THANK YOU for all who were there to help.

**Taxi ways** were lengthened and prop strikes repaired. THANK YOU Jeremiah, Shawn, and Jim Z.

**Museum Committee Dean reported** KLBE Museum temporarily closed but his Roving Reporter has been sent out to our members. He asked anyone who is not receiving it to notify him.

**Fuel Committee** We have 26 gallons at \$27 per gal. See Bill Cecchetti or Dean Pollock to purchase.

**Streamer Combat** South Park RC Club and Mingo Creek Club just ordered planes and are preparing to challenge LHMACH so practice up gentlemen!

**Night Fly's** still on for August

**Float Fly's** will tentatively be June 13, July 11, and August 8 with rain dates of 6/20, 7/18, and 8/15.

## Old Business

**Stay Aloft Contest** last year was well attended and Tim Bartlow will be looking at dates to repeat for this year. Stay tuned!

**Fall Picnic** tentative

**Scale contest and Snyder Cup Speed Contest** Sept 6

**Show and Tell** Jim Z showed a Flite Test model Delta that was constructed with dollar tree foam board and hot glue. It was easy to build, uses a 3cell 800mah battery and is a great flyer. Click HERE for details a building video from Flite Test. Jim also showed a glue purchased from Dollar Tree called "Tacky Glue" which is a poly acrylic resin water base glue which dries clear. Works on plastic, foam, or wood.

Jeremiah showed his UMX Cessna Citation Longitude plane. Twin 30mm ducted fans, 3s 800mah battery, AX3X, Self launch option, navigation lights, is fast, and fly's great.

**July 7<sup>th</sup> meeting** will be pizza night!

Meeting adjourned
