Message from President Jim Andrews

12/10/2020

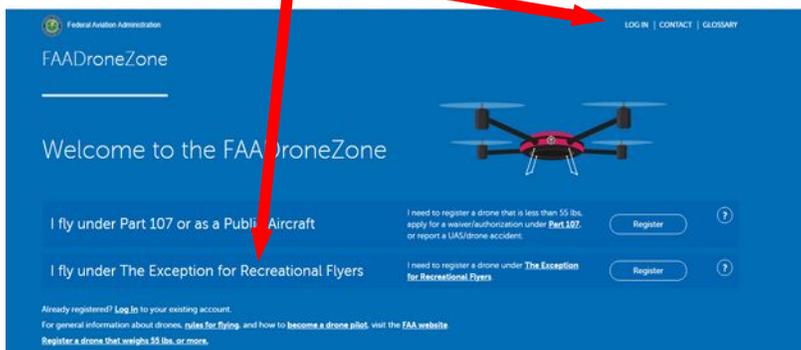

I am so glad we have this hobby to keep us sane during these trying times. The Lebanon Swap meet has been canceled for 2021. Our meetings will continue to be held at the field or as a virtual zoom meeting. Emails will keep you posted. If weather permits our January meeting will be held during our First in the Air Fly on Friday January 1st at the field. This has been a traditional event for our club, a time to wish each other a Happy New Year and a chance to show that even under adverse conditions we will find a way to fly. Masks and social distancing are required. Stay safe and see you next year at the field.

Jim Andrews

Message from Newsletter Editor Jim Zamerski

Keep texting or emailing pictures (*any size or format*) to me and any other RC related events, notices, interesting websites, or RC *stuff you want to sell*. (Members have been very successful in selling their overstock!) You can also bring photos to the monthly meeting. I will *either* put them in the Newsletter, on Facebook, in the "Live Calendar", or out in a special email.

thx Jim Z

Newsletter Editor, Jim Z Newsletter and Facebook are doing well. We have our Free Stuff" page in our newsletter. It is primarily for us that have items we don't use any more, will never use, or have 4 of them. They will come in very handy for new club members (or existing members) who are in need of supplies. So, if you have ANYTHING rc related to give away, please send Jim Z a picture by text or email.

As always, Please remember that if we have a visitor to our field make them feel welcome and give them one of our schedule/contact info handouts that are in the mailbox at the information center.

Field Control Officer, Shawn....Beware of hunters when going into the field.

Webmaster Vishal Absent.

Presidents Remarks

FAA uas renewal is due and is recommended to re-up before Jan 21. Jim Z renewed a s a recreational flyer. It was a flat \$5 fee for three years. No news on testing.

Meetings for 2021 Until covid recedes and vaccinations are distributed, meetings will continue to be at the field with the possibility of Zoom meetings when necessary.

Anyone missing a plane Now is a good time to walk the field to find planes as the grass is mostly tamped down. Jeremiah volunteered to fly over with his drone if it will help you locate missing items.

Fuel Committee 16 gallons available.

Museum Committee nothing new

Trainer Planes We have had two glow powered trainer planes donated to the club. They will be free to new flyers. Contact Jim A. if interested

Operation Santa Claus Since we were having no 50/50 drawing this month, it was suggested that we donate to Operation Santa Claus (which we have done in the past years). A donation of \$100 was suggested. Motion by Jim Z, second by Jim Amotion carried.

St Paul Lutheran (meeting hall) We will continue to pay rent to reserve the room and to support the church. All present voted unanimously to reserve the room.
