Sat 20	MARCS Flea Market & Auction	Delmont, PA

## Message from Newsletter Editor Jim Zomerski

Keep texting or emailing pictures (any size or format) to me and any other RC related events, notices, interesting websites, or RC *stuff you want to sell*. (Members have been very successful in selling their overstock!) You can also bring photos to the monthly meeting. I will *either* put them in the Newsletter, on Facebook, in the "Live Calendar", or out in a special email.

thx Jim Z

## Message from President Jim Andrews

---

Hi Members and Friends,

While some think this is the time of year to wind down Flying activities I think this is a great time to fly. Cooler temperatures and less bugs. We had a great float fly at Acme Dam on Sept. 18<sup>th</sup> and *will have another* at Deep Creek MD on Oct 16<sup>th</sup> with a rain date of Oct 17. Please let Jim Zamerski or myself know if you are planning to attend. The High Point-Cumberland Fall Soar is Nov 4-7. A non-flying event is the MARCS Auction and Swap meet on Saturday Nov 20 in Delmont. To our new and old members alike, our field is open year round. Any snow tends to melt off the runway since it is warmed by the sun. Or fly with skis on your plane or use water floats, they work great on the snow. I know that the field and the people that fly there have really helped me stay connected over the last year and a half and I hope it has helped you also. As always, if you have any ideas that you think would help the club or your experience at the field please let any of the club officers know.

As I wrote last year at this time: See you at the Field, the Lake, or the Mountain.

Jim Andrews

# October 2, 2021

## Monthly Club Meeting @ Mammoth Field

### Secretary Jim Zamerski

---

**Minutes** for the October 2,, 2021 Meeting @ Mammoth Field. 23 Members and guests present.

Welcome Dustin Hacker, new member, voted in unanimously. Also, welcome (guest) Jeff Poole, a flier, builder, videographer, and customer service rep at Flite Test in Minerva, Ohio. He reminded us of an event coming up October 8-10 at Edgewater field in Minerva, Ohio.

#### **Officers Report:**

**Secretary**, Jim Z. Called for a motion to approve the minutes of the September 3 meeting as published in the September newsletter. Motion by John T, second by Curt H ...motion carried.

#### **Treasurer's Report.**

Expenses – Raffle Prize

Income –Raffle, Dues, Hat sales,donations for Vaun Hile rc merchandise. Float fly. Motion to approve by Jim Z second by Mark Y..... motion carried.

**Long time LHMACH member and supporter, Bill Johns**, passed last week. As we normally do, we will be making a donation to a charity selected by the family. The family requested it be made to the National Kidney Foundation. Side story.....Rene and Joe L went to the funeral home, got to visit with the family, and saw a brand new 2021 Red mid-engine Corvette parked out front. It was delivered to Bill the day he passed. The family will be keeping it in his memory. Bill always loved his Corvettes.

**Vice President** . Let Jeremiah know of any lost planes as he can fly the field to try and locate it with his quadcopter. Raffle prize will be a ISDT Discharger with XT-60 Port battery discharger.

**Newsletter Editor**,The September newsletter had many pictures due to the fact that there were many RC events and excellent flying weather. Let Jim know if you have anything for sale or if there is a particular item you are looking for so he can post it in the next newsletter sales/wanted section. Our Facebook page had another busy month. Keep sending *news of upcoming events* and any pictures or videos rc related.

**Field Control Officer** Thanks to the crew that trimmed last month.

**Web Master** Absent

#### **Presidents Remarks**

The float fly at Acme Dam was success with perfect weather and great attendance.

Our day at HighPoint was canceled due to the weather.

The next event at HighPoint is Fall Soar for Fun, November 4-7, 2021 [Click here for details](#)

MARCS auction is Saturday November 20<sup>th</sup>.

October is our nomination month for officers. Current President, Vice President, Secretary, and Treasurer will remain if unopposed, Field Control officer Shawn is retiring his position but has found a replacement. All positions are open for nominations. November meeting will be our voting day.

**Recreational UAS Safet Test** The safety test that is being required to fly UAS (everything we fly) is available now.

**Click HERE to take the test** and don't forget to save or print your certificate. It is very easy and informative. There is no date as of yet from the FAA as to when this has to be completed by. You cannot fail this test and it is free!

**Fuel Committee** 36 gallons on stock. \$25 per gallon See Bill C

**Old Business** none

**New Business** no new business

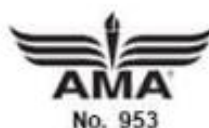

**Show and Tell** Jeff Poole showed his big pink foam board extra 360. John Ernette showed an old P40 warbird, from the 50's, control line plane. It looked like it had been in a war. He picked it up at Hershey, pa and hangs it in his garage. (see pictures from the meeting)

**Raffle** won by Mark Kaufmann

**Meeting adjourned**

# FOR SALE

**Hi capacity charging system consisting of an FMA Powerlab 6 charger and high current power supply. Charger can charge up to 6 cells and has 1000 watts capacity and 40 amp current limit. You can charge 3 6 cell 5000 packs in parallel with this system Power supply is set up for either 12 or 24 volts and 47 amps. Greatly reduce charging times with parallel charging or just charge one pack at a time... this does it all. \$275**
