Message from President Jim Andrews

Time flies, and so do we. Our Beginning of the Fall Flying Season Picnic is scheduled for Sunday, September 10th.

Bring your family, planes to fly, and a dessert to share if you wish.

Our last Float Fly of the season is Saturday, August 26th and our last Night Fly is Wednesday, August 30th. Check our Live Calendar for other events.

Take a look at your August issue of Model Aviation from the AMA, in the Focal Point section are two planes built by long time club member Dean Pollock.

If you know someone that is thinking of joining the Club remind them that if they join now their membership is good for the rest of the year and all of next year. Good deal.

See you at the field

Jim Andrews

LHMCA Family Fall Picnic Sunday Sept 10, 2023

Volunteers needed to help!

Picnic food will be catered/provided.
Members are asked to bring
deserts for meal, Pop up canopy's,

August 5, 2023

Monthly Club Meeting @ Mammoth Park

Secretary Jim Zamerski

Minutes for the August 5, 2023 Meeting @ Mammoth Park Airfield. 18 members present.

Officers Report:

Secretary, Jim called for motion to approve minutes from last months meeting as posted in the last newsletter. Mark Y motion to approve, second by Bill K, motion carried.

Treasurer's Report.

Expenses: Meeting supplies (cups, plates, etc.) & Pleasant Unity Pizza

Income: Float Fly Proceeds, Raffle proceeds. Westmoreland County Parks Donation.

The parks department greatly appreciated our help with the 2023 Mammoth Fest.

Mark Y motion to approve report, second by Bill K, motion carried.

Vice President Snyder Cup Speed race coming Aug 6 and the Scale Contest is Aug 27 extra points if you fly your entry in Scale Contest. Raffle prize is a 50/50

News Editor – Newsletter is very popular and now the last three pages are very informative to new and existing members. Calendar is updated as I am notified of new events. Facebook is going strong so please keep sending those pictures in. Send for sale items in. *For sale section of the NL will be updated monthly.*

On Thursday, July 27th, we had Cub Scout troop #135 from Mt Pleasant come out and visit for the evening. All of the Scouts flew our trainer along with parents and pack leaders. Everyone had a great time and were very appreciative We hope to do it again soon, it's a great way to promote our hobby. If you know of any youth group that would like to spend an evening flying Model Airplanes, please pass along their contact information to me or give them my phone #. Jim Zamerski 724-454-3003

Field Control Mark Kaufman reported no change.

Webmaster Vishal has moved us to a more inexpensive website plan and has been updating it gradually.

Presidents Remarks

Upcoming Events Includes , Last 2023 Float Fly is August 26, Last night fly August. Golden age RC event is August 17-19 and Wally's Squadron is August 16-19. Next meeting Sept 2nd.

See Live Calendar for more details.

FAA UAS registration number can be renewed at any time and will start after current membership expires so don't hesitate to renew early..

Any questions, call Jim Andrews 724 837 4111

Fuel committee: Contact Bill Chiccetti 724 493 5105 for **glow fuel**.

Fall picnic budget Motion to approve budget by Jim Z, Mark K second, motion approved.

Meeting adjourned

Message from President Jim Andrews

Thank you for coming to LHMACH field! New members may not be aware of the FAA requirements of the past several years. **These are the requirements** to fly at Mammoth Park Airfield:

AMA membership, go to modelaircraft.org

← Or Click or scan

Club membership, go to lhmac.org

← Or Click or scan

FAA registration, go to faadronezone.faa.gov there are 2 classes of registration, one for **recreational users(us)**, and one for commercial users. **For us**, recreational users, you will get one registration number that will be good for all your aircraft.

↑ Or Click or scan

TRUST (The Recreational UAS Safety Test) go to modelaircraft.org/trust to take take the test.

Remember, model planes and helicopters are considered drones by the FAA. After you complete the 4 steps, **make labels for each of your aircraft** that has the following things on it,

1. Contact info (Name and Phone #)
2. AMA number
3. FAA registration number

Attach this label to each of your aircraft. **FAA# Must be on the outside of your aircraft**

All other info can go anywhere on the aircraft.

While flying, you need to have 4 pieces of information in your possession:

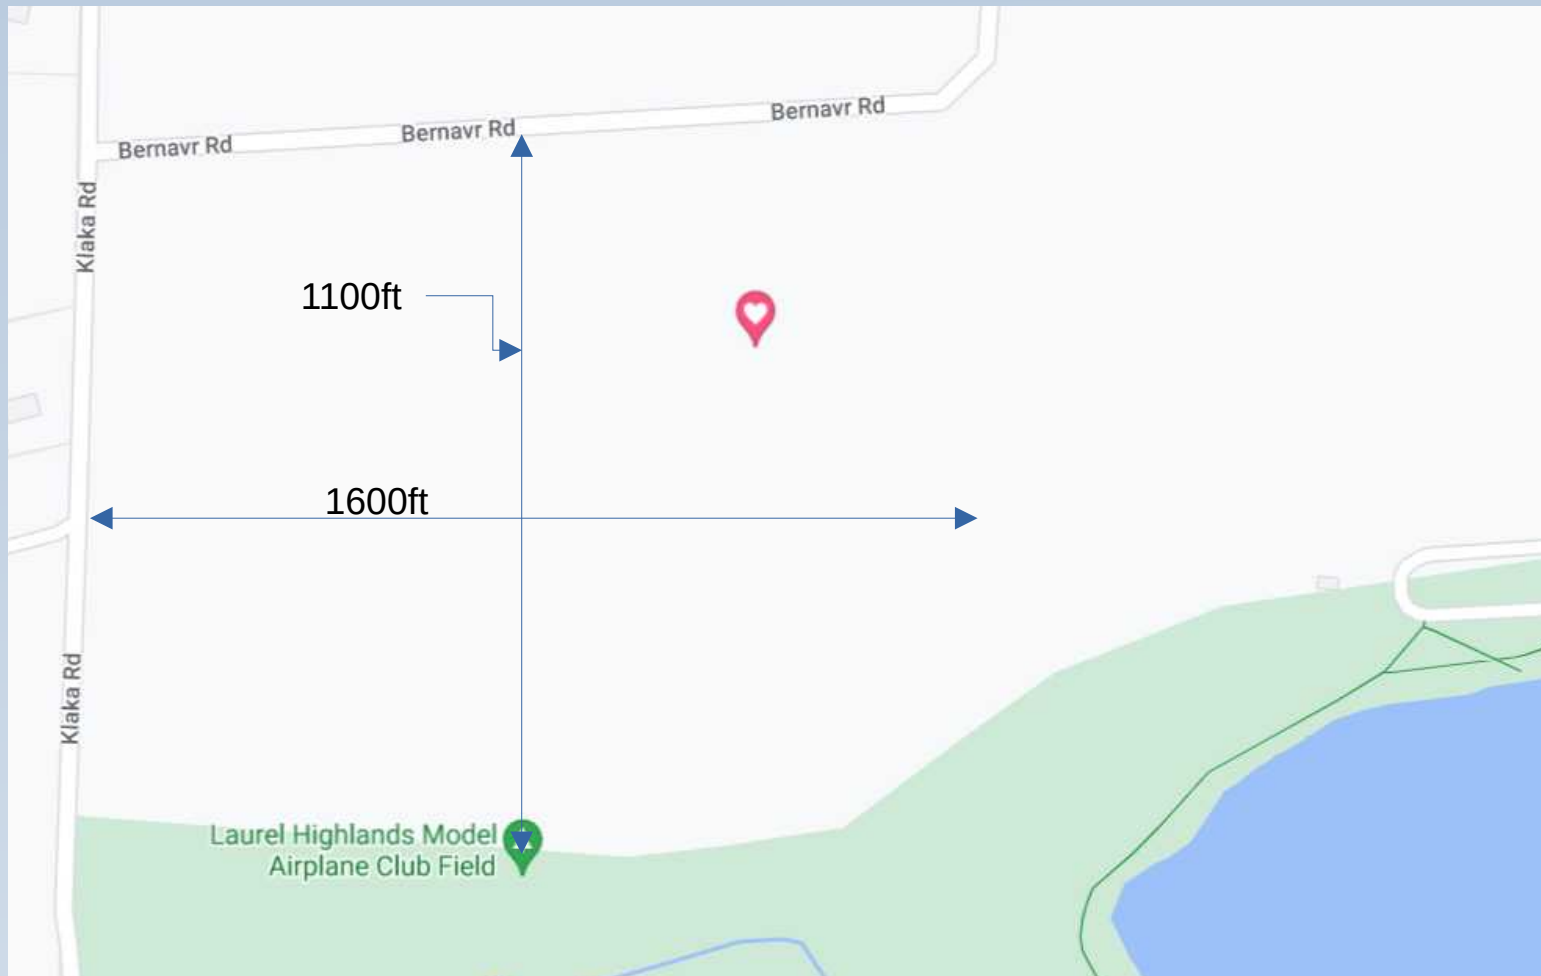

1. Your AMA membership card
2. Your LHMACH membership card
3. Your FAA registration card (Small UAS Certificate of Registration)
4. Your TRUST Completion Certificate

At first it seems complicated but really isn't. The TRUST certificate is a lifetime certificate. The FAA registration is good for 3 years for \$5 and can be renewed keeping the same number. LHMACH is a yearly membership and AMA can be yearly, 2 years, or lifetime membership.

See you at the field!

Jim Andrews

LHMAC Mammoth Park Model Airfield Boundaries

GAS/GLOW FLIGHT QUALIFICATION AND ELECTRIC FLIGHT QUALIFICATION

Qualification sessions must ensure that the flyer shows knowledge of and practices the field rules and can safely and competently execute the following:

- I. Set-up and check aircraft, engine and radio correctly prior to flight.**
- II. Make take-offs to the left and right smoothly and under control (two each).**
- III. Make left and right hand rectangular patterns with proper turns at a safe altitude (two each).**
- IV. Make horizontal figure 8 patterns parallel with the flight line with proper turns at a safe altitude. (two each)**
- V. Make landing approach and landings from the left and right smoothly and under control (two each).**
- VI. Make simulated or real dead-stick landings on the flying site safely and under control (one each).**
- VII. Keep within the designated field boundaries at all times.**
- VIII. Any fail on a section of testing will require a re-test of that section.**
- IX. Qualification is only valid if completed in the presence of a qualified club member and a class qualified (gas class or electric class) designated instructor or club officer.**
- X. Pilots with a gas/glow qualification may fly any aircraft that is AMA legal.**
- XI. Pilots with an electric qualification are not permitted to fly gas/glow aircraft without the use of an instructor .**
