## Next Monthly Meeting

Saturday, September 6 , 2025, 2pm

LHMAC Mammoth Park Field

Klaka Road, Mt Pleasant, PA 15666

# Message from President Jim Andrews

**This has certainly been** an interesting flying season. We started off with unrelenting rain, followed by constant high winds, then a stifling heat wave. Then finally we have the fantastic weather we are enjoying now. Take advantage of it and get out and fly. I have.

**Jim Z. is setting up an app** for our phones that will allow us to inform one another of plans to be at the field. It's very simple to use and eliminates having to do multiple texts. A few of us have been testing it and it seems to work well. Watch for an email inviting you to join the group.

**The Fall Picnic** will be held Saturday, September 6, so make sure to set aside that date. When Jeremiah sends out an email asking if you will be attending please respond so we know how much food to order.

**As always, check our Live Calendar** for some great upcoming events you may want to attend. See you at the field.

Jim Andrews

**LHMAC Family  
Fall Picnic  
Saturday Sept 6, 2025  
12 noon  
Mammoth Field**

Volunteers  
needed to  
help!

Volunteers  
needed to  
help!

Picnic food will be catered/provided.  
Members are asked to bring  
deserts for meal, Pop up canopy's,  
portable tables and chairs,for shelter/comfort.  
( The cost for non-members/guests \$5 )  
Open fly following lunch

# **Special Message to New Members**

---

**Welcome to the Club.** This is a great hobby to be involved with. It combines the technical aspect that many of us like and the ability to be outdoors and enjoying Nature. One simple word can increase your enjoyment, and that word is "ASK". Aviators Seeking Knowledge.

**There are a lot of Club members** that have had the same questions as you. No need to reinvent the wheel, all you have to do is draw on the accumulated knowledge of our membership. Those of you that may have been involved in the hobby years ago and are getting back into it will notice some changes, mainly in the radio equipment being used. Not so obvious are the requirements needed to fly by the FAA. These are posted near the end of every newsletter. Please read these over and ASK if you have any questions. Who do you ASK? If you are at the Field, ASK anyone. If they don't know the answer they will point you to someone that does. Not at the Field? Call any of our Officers and they will be more than happy to help.

**Above all, don't go out and buy a new plane or transmitter.** This is where you really want to find out what works at our field by the people that fly there. Also we have planes and equipment that we can give to new pilots to get them started. Before that, we have trainer planes and buddy boxes, and most importantly, the training that goes along with learning to fly.

See you at the Field

Jim Andrews  
LHMAC President

## 2025 August

### EVENT

### LOCATION

Sat 2	LHMAC Monthly Meeting <b>12:00 noon</b>	LHMAC Mammoth Field
Thurs 7	Cub Scout Pack 135 LHMAC Flying Experience! (Rain Date August 14)	LHMAC Mammoth Field
Sun 10	Warbird Pylon Races & Streamer Combat 1pm	LHMAC Mammoth Field
Wed 13-16	Wally's Squadron	Somersville, PA
Wed 13-15	Golden Age Air Museum RC Model Meet	Bethel, PA 19507
Sun 17	<b>SUNDAY</b> Float Fly, Acme Dam 10-2 (No Rain Date)	Acme, PA
Wed 20	LHMAC Night Fly (Rain Date Wed 8/27)	LHMAC Mammoth Field
Sun 24	Warbird Pylon Races & Streamer Combat 1pm	LHMAC Mammoth Field
Sat 30	LHMAC Field Cleanup Day	LHMAC Mammoth Field

## September

Sat 6	LHMAC Monthly Meeting <b>2pm</b>	LHMAC Mammoth Field
Sat 6	LHMAC End of Summer family Picnic	LHMAC Mammoth Field
Sat 13	Open Float Fly, Acme Dam 10-2 (Rain Date Sat 9/20)	Acme, PA
Sat 20	Mon Valley R/C Club Open Fun Fly	Cedar Creek Park

## October

Sat 6	LHMAC Monthly Meeting <b>12:00 noon</b>	LHMAC Mammoth Field
Fri 3-10	Nall in the Fall, Tripple Tree Aerodrome	Woodruff, SC

## November

Sat 1	LHMAC Monthly Meeting <b>12:00 noon</b>	St Paul Church
Thurs 6-9	Fall Soar for Fun, Highpoint Aviation	Ridgeley, WV

## December

Sat 6	LHMAC Monthly Meeting <b>12:00 noon</b>	St Paul Church

## Monthly Club Meeting @ Mammoth Field

### Secretary Jim Zangerski

---

**Minutes for August 2 Meeting @ Mammoth park Airfield.**

18 members and 2 guests. Mark & Evan

## Officers Report

**Secretary, Jim Z** called for motion to approve minutes from last month's meeting as posted in the last newsletter. Bill K motion to approve, second by Tim, motion carried.

**Treasurer's Report.** No expenses, no income. Jim A motion to approve, motion carried.

**Newsletter** Newsletter is doing well and is getting out there. For those who wish to sell items, just snap some pics with your phone and send it to Jim with a description and a price. Facebook is getting over 1200 engagements a month.

**Vice President** Raffle prize is a motor from Hobbyking. Picnic coming up Saturday, September 6. 3 gems catering was preferred. Motion to approve Tim, second by Bill K, motion carried.

**Webmaster** absent

**Field control** The guys are doing a stellar job on trimming the area. Thank You!

## Presidents report

**Runway Drainage** working on drainage ditch for the Fall of this year.

**Cub Scout Visit** Weather Thurs. August 7

**Wallys Squadron** Summersville, WV

**Golden Age Event**

**LHMAC Cub day (6/28)** was very successful

**Float fly** coming up August 17

**Night Fly** Aug 20

**Field Cleanup** Saturday Aug 20

**Fall Family Picnic** Saturday, Sept. 6. Please feel free to invite non members. There is a small fee for non members. It's a great way to showcase our club. If you have anything to sell, bring it to the picnic.

**Highpoint Aviation** July 17-20 in Cumberland MD. RC pilots from all over the East coast come to fly HUGE gliders (25-30ft wing spans). Mark Y attended.

**Missing sign** New pole has been installed. Jamie Buxton is contacting a friend to possibly make a sign.

**Old Business** none

**New Business** None

**KLBE Museum** open 10-2 on Saturdays

**Fuel Sales** fuel is available. \$25 per gallon. Contact Bill @ 724-493-5105 to purchase

**Show and tell** Rene showed a phoenix model he had built

**Meeting Adjourned**

# FOR SALE

## 3D Lab Prints A6M2 Zero \$90

Hi Everyone. I have been 3d printing planes for a little while. I finally have the settings dialed to where I feel comfortable offering some completed prints to those who do not have a 3d printer. This listing is for the Zero from 3d labprint. It is printed in Polymaker LW-PLA (Light Weight PLA). This PLA is not quite as light as Esun or Colorfabb but the strength is far better and the looks are much better. Overall a much better finished product. 1m Wingspan

You provide the power system and your radio gear, pushrods, and hardware.

If you aren't familiar, 3d printed planes aren't perfect. They do need light sanding from time to time. The hard part has been done though. All you need to do is glue it together. I feel the assembly is easier than any of the Chinese ARFs of years past. I do 90% of the post processing so that you have as easy a time as possible.

I will include all of the printed parts for one Zero airplane and a printed manual. Please let me know if you have any questions. I am always happy to answer.

Please understand to fully print a plane takes 3 days roughly and this is a way to supplement the hobby for me, not my full time job. I get joy in making things as we all do being a part of this hobby.

Contact **Sam Borrelli**

661-236-5422

# Message from President Jim Andrews

**Thank you for coming to LHMACH field!** New members may not be aware of the FAA requirements of the past several years. **These are the requirements** to fly at Mammoth Park Airfield:

**AMA membership**, go to [modelaircraft.org](http://modelaircraft.org)

← Or Click or scan

**Club membership**, go to [lhmac.org](http://lhmac.org)

← Or Click or scan

**FAA registration**, go to [faadronezone.faa.gov](http://faadronezone.faa.gov) there are 2 classes of registration, one for **recreational users(us)**, and one for commercial users. **For us**, recreational users, you will get one registration number that will be good for all your aircraft.

← Or Click or scan

**TRUST** ( The Recreational UAS Safety Test ) go to [modelaircraft.org/trust](http://modelaircraft.org/trust) to take the test.

Remember, model planes and helicopters are considered drones by the FAA. After you complete the 4 steps, **make labels for each of your aircraft** that has the following things on it,

1. Contact info (Name and Phone #)
2. AMA number
3. FAA registration number

Attach this label to each of your aircraft. **FAA# Must be on the outside of your aircraft**

All other info can go anywhere on the aircraft.

While flying, you need to have 4 pieces of information in your possession:

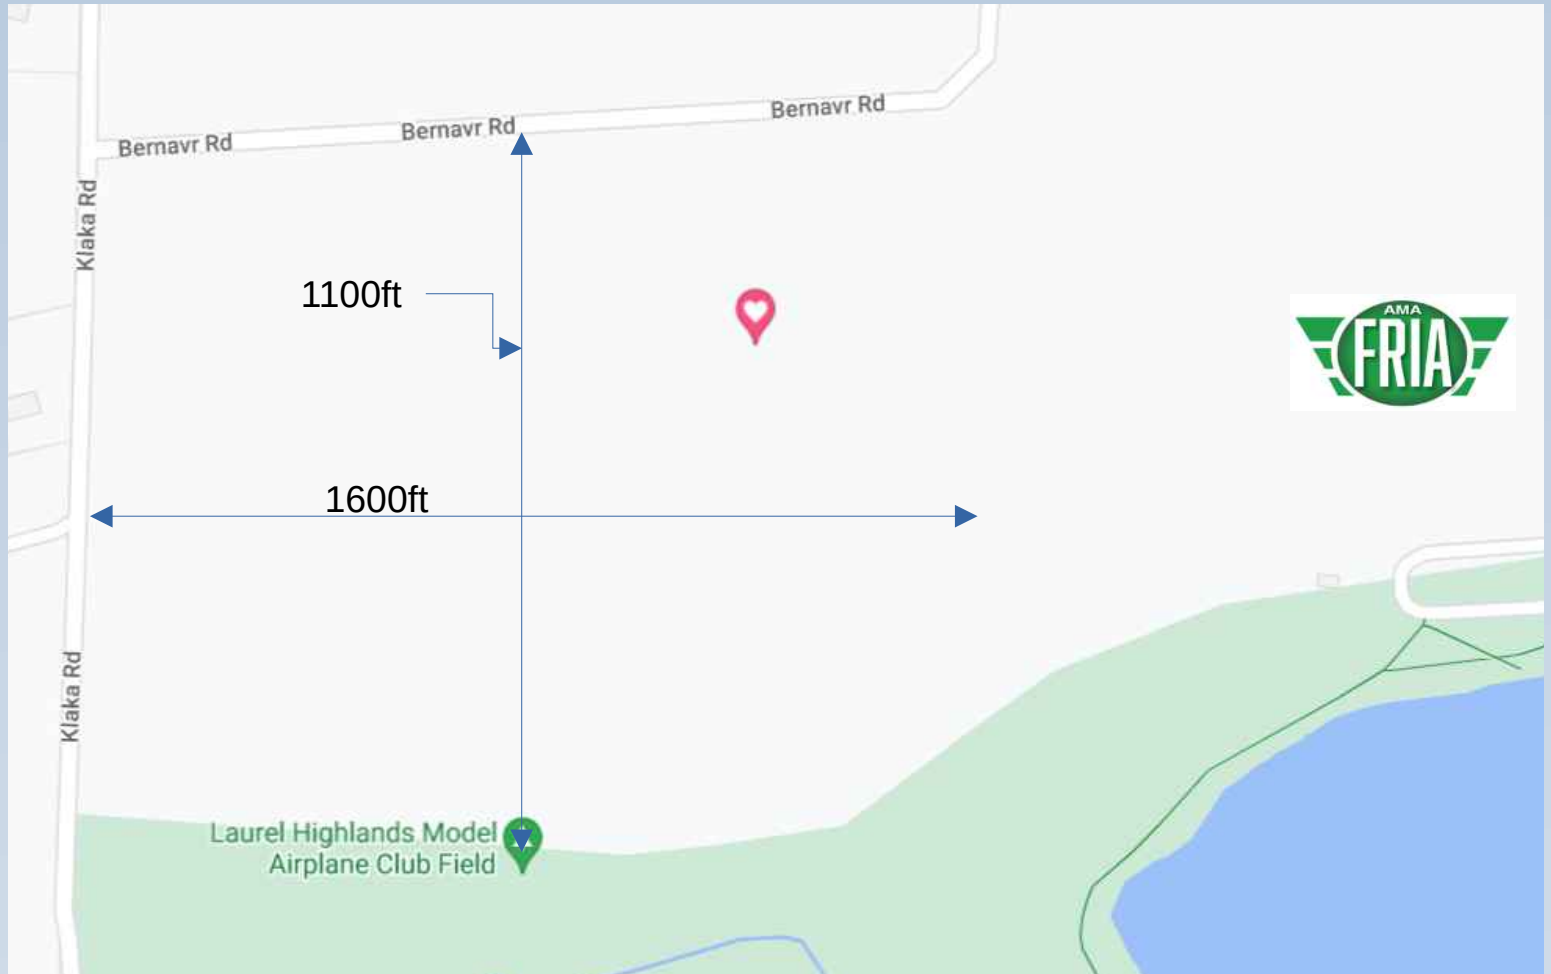

1. Your AMA membership card
2. Your LHMACH membership card
3. Your FAA registration card (Small UAS Certificate of Registration)
4. Your TRUST Completion Certificate

At first it seems complicated but really isn't. The TRUST certificate is a lifetime certificate. The FAA registration is good for 3 years for \$5 and can be renewed keeping the same number. LHMACH is a yearly membership and AMA can be yearly, 2 years, or lifetime membership.

See you at the field!

Jim Andrews

## LHMAC Mammoth Park Model Airfield Boundaries

# **GAS/GLOW FLIGHT QUALIFICATION AND ELECTRIC FLIGHT QUALIFICATION**

**Qualification sessions must ensure that the flyer shows knowledge of and practices the field rules and can safely and competently execute the following:**

- I. Set-up and check aircraft, engine and radio correctly prior to flight.**
- II. Make take-offs to the left and right smoothly and under control (two each).**
- III. Make left and right hand rectangular patterns with proper turns at a safe altitude (two each).**
- IV. Make horizontal figure 8 patterns parallel with the flight line with proper turns at a safe altitude. (two each)**
- V. Make landing approach and landings from the left and right smoothly and under control (two each).**
- VI. Make simulated or real dead-stick landings on the flying site safely and under control (one each).**
- VII. Keep within the designated field boundaries at all times.**
- VIII. Any fail on a section of testing will require a re-test of that section.**
- IX. Qualification is only valid if completed in the presence of a qualified club member and a class qualified (gas class or electric class) designated instructor or club officer.**
- X. Pilots with a gas/glow qualification may fly any aircraft that is AMA legal.**
- XI. Pilots with an electric qualification are not permitted to fly gas/glow aircraft without the use of an instructor .**
